

# Healthcare

## Professional grade indoor plants direct from the finest nurseries in Hawaii.

Improve your reception and office environment by installing professional grade indoor plants direct from the finest plant nurseries in Hawaii. Installing and maintaining Onomea plants in your lobbies, waiting areas, and offices demonstrates that you care about the health of your indoor environment and air quality. Demonstrate that your business is health and wellness by investing in your indoor ecosystem in partnership with Onomea.

Onomea indoor plants and accessories bring natural beauty to your healthcare facility. Our direct from nursery fulfillment ensures that you have access to the highest quality professional grade plants at the best possible price. Onomea products are only available through our website. Onomea does not lease or maintain indoor plants. We simply provide the best possible professional grade indoor plants to enable you to install and maintain your own indoor plant environment.

Create a pleasant healing environment for patients, families and staff. Studies show that indoor plants contribute to the healing process by speeding recovery and enhancing mental outlook.

Bring nature indoors with our professional grade table and floor plants, pots, accessories and cut foliage. Use Onomea products to enhance your indoor designs and add to your healthcare and wellness identity.

### Onomea horticultural products:

- Improve indoor air quality
