Professional grade indoor plants direct from the finest nurseries.

Onomea indoor plants and accessories bring natural beauty to offices, reception areas, hallways and co-work areas. Indoor plants have been proven to increase overall happiness, productivity, focus, and overall well-being and wellness in the office environment.

Our direct from nursery fulfillment ensures that you have access to the highest quality professional grade plants at the best possible price. Onomea products are only available through our website. Onomea does not lease or maintain indoor plants. We simply provide the best possible professional grade indoor plants to enable you to install and maintain your own indoor plant environment.

Bring nature indoors with our professional grade table and floor plants, pots, accessories and cut foliage. Studies show that interior landscaping has dramatic effects on the wellbeing of building occupants.

Use Onomea products to enhance your indoor designs and add to the health and wellness of your office environment. Demonstrate that your business is healthy and caring by investing in your indoor ecosystem in partnership with Onomea
